

2020

I know right now things seem uncertain and everyone is stressed to the max!

Take a little time to breathe. Remember that this will pass and our lives will eventually go back to normal. I am grateful to have such amazing and hard-working co-workers! We will get through this together!! **#bettertogether**

We thank and honor the above partners for their continued dedication to the residents and families at the Villages of St. Peters. Without you we could not make the positive difference in their lives that we strive for daily.

Let's try to remember that we all process things differently.

Some people are falling apart right now, and that's OK.

Some people will hold it together until this is all over, then crumble.
That's OK, too.

Some people won't know exactly how this has affected them for a long time.

It's all OK.

Everyone is different,

And we're all just doing the best we can.
