

Position: Staff Accountant

Location: Murfreesboro, Tennessee

This is an opportunity for a motivated team-oriented professional to assist with the timely and accurate preparation of monthly financial statements.

Assignments vary but will include month-end close procedures, monthly journal entries, account reconciliations, financial statement preparation and analysis, various internal audit tasks, and the preparation of Medicare and Medicaid cost reports. Assignments also include the preparation of various schedules and projects on an as needed basis.

Candidates should possess a willingness to learn the Company's general business policies and practices, and the ability to apply generally accepted accounting principles to Company transactions. A degree in Accounting is required. Some experience preferred. The right candidate will have a strong work ethic, be detail oriented and desire a long-term career with NHC.
