My name is Jennifer Becker for those of you who I have not met or who wonder, "What do you do"! I am the nurse practitioner for the Missouri Quality Initiative Project (MOQI). My position here at NHC is to help reduce avoidable hospitalizations for the residents by using the INTERACT assessment tools. These INTERACT assessment tools are the **STOP AND WATCH** & SBAR.

In order to reduce these hospitalizations any time you notice a change of condition (CIC) you should fill out a **STOP AND WATCH**, and give it to the NHC Partner who is working on the floor or to the nurse who is in charge on your loved one's hall.

DO NOT HESITATE TO FILL OUT **STOP AND WATCHES** WHEN YOU NOTICE CIC!!!

The nurse will then assess the CIC and fill out the SBAR.

LESS SERIOUS NOTE...

I have been an FNP since May 2017. I have a 19-year-old son. My grandmother lives with me and is 89 years young (she does not take one medication). I will graduated with post certificate as psysche mental health nurse practitioner (PMHNP) December 2019. I come from a very close family, we spend lots of time together throughout the year we do not need a holiday or special occasion (spending quality time with loved ones is occasion enough). I enjoy talking and getting to know people, I rarely meet a stranger, so if I have not met you yet, please stop in and introduce yourself. I believe laughter is healing and honesty is always best (saves you from anxiety and feeling down).

I appreciate you and what you do for the residents!

Thank You!

Jennifer Becker MSN, APRN, FNP-BC

Elvis has left the building... or has he??

On Wednesday, January 8th, in celebration of Elvis' Birthday, you may spot "The King" in various places around the building.

If you record enough Elvis sightings, you could be a winner!

Everyone can play this game, including partners!

January Birthdays

In astrology, those born between January 1–19 are the horned goats of Capricorn. As goats climb to great heights, Capricorns strive to get to the top, using discipline and common sense to find fame, prestige, and wealth. Those born between January 20–31 are the Water Bearers of Aquarius. As the water of life heals the land, so Aquarians are the humanitarians of the zodiac. Free-spirited, nonconformist, compassionate, and visionary, they support giving “power to the people.”
