November Birthdays

In astrology, those born November 1–22 are the scorpions of Scorpio. Scorpions are passionate and assertive, yet they are also known to keep cool and calm. This composure makes them good, steadfast leaders and loyal and honest friends. Those born between November 23–30 are centaur archers of Sagittarius. Archers are curious, energetic, and enjoy change, the restless travelers of the zodiac. They are funny and enthusiastic, cherishing freedom as their greatest treasure.
