**NHC would like to welcome our new
Director of Rehab and Therapy,
*Tasha Hollock***

Tasha Hollock is our new therapy and rehab director at NHC Desloge, and a professional with a heart to help others reach their goals and lead the life they want. As Director of Rehab, she and the therapy team both focus on where the patient wants to be, while working through issues and obstacles one at a time. With over 12 years of experience in physical therapy, Tasha is providing oversight of daily operations of rehab needs at our center. Her roles include care coordination of patients' development of rehabilitation programs, and maintaining relationships with other health care professionals throughout the facility, while providing evidence based patient treatment for the geriatric population.

Tasha has been married for 26 years to her High School Sweetheart Jim. They live in Desoto and have two children, Trevor and Lindsay, and 3 granddaughters. She and her husband enjoy being outdoors. She likes to spend time on the beach, and in her flower garden.

Her favorite part about NHC is working with the patients and hearing their great stories.

Welcome Tasha! We are excited to have you join our team!
