Just a reminder: as you receive your loved ones updated insurance cards, please make sure you bring them in so we can make sure we have the most up-dated insurance information on file. Thank you in advance!

Our annual Thanksgiving Feast was once again our biggest event of the year! Thank you, all partners who work so hard on this. A few people who handle the majority of this event are Stacy in Bookkeeping, Kyra in Social Services, and of course the entire Dietary Department! You make this a very special time for all. Thank you for another Great Feast!

Just a Couple of FYI's from Social Services...

*** If you are planning on taking your loved one home for Christmas this year and need transportation assistance you may ask Kyra or Melissa from Social Services for a list of companies that will be available.

** Family Members and friends, just a reminder to not give partners of NHC gifts, gift cards or money. If you have any questions on this policy or would like ideas on what you can give during the holiday season, please contact Kyra or Melissa from social services for ideas. Thank You!

In all my years as an Assistant Director of Nursing, this is the first time I have had the opportunity to attend a CNA banquet. This banquet is to honor the chosen CNA's and to choose a CNA of the Year. NHC took us to Brandon this year. We got to go to Silver Dollar City for the afternoon and then dinner. The next day we participated in team building games as well as some learning opportunities in hopes that these CNA's would bring this information home to other CNA's. We then recognized all of our chosen CNA's, Scott Lueders, Sharon Bell, Yolanda Mc Roberts as well as our CNA of the year, Sarah Ceglinski. We had a wonderful lunch and a very positive speaker. This was one of the better experiences of my nursing home career. To recognize those who work so hard and get little recognition at times was amazing to me. I am proud to be a part of a nursing home who does this for their CNA's.

Hope Zweifel, Assistant Director of Nursing
