Partner Anniversaries

Stacy Gregory –2017

Donna Nampel—1999 Yolanda Nash—1983

We love it when Harvest Ridge Elementary comes to visit. The Read, Right, Run club walks here from school and comes to spend time with us. We have gotten the privilege to watch quite a few of these little ones grow up and move on to middle school.

Thank you, Harvest Ridge for this blessing!

Donation response has been tremendous when we are in need of items for whatever reason, our friends and family respond. We currently have a partner, Ruth Valenzuela who works in laundry, she will be crocheting winter sleeping mats for the homeless. These are made from plastic bags from grocery stores to keep insulation between the ground and the person. She will need 500-600 bags to complete just one mat. Our residents will be cutting the bags at our resident volunteer group to aid Ruth in her endeavors.

Could you help us support her by donating bags to the front desk?
