Happy Birthday Smokey Bear !

Since August 9, 1944, Smokey Bear has urged us to prevent forest fires. The story of Smokey begins with World War II. Japanese attacks against America would reach mainland California in 1942, when a submarine fired at an oil field near Santa Barbara, inciting fears of massive forest fires along the Pacific coast. That same year, on August 9, Disney released *Bambi* and would later authorize the Forest Service to use its animated deer on posters urging forest fire prevention. The campaign was a success for two years until the Forest Service developed its own mascot, a bear in blue jeans wearing a ranger hat. Smokey, as he was called, was first painted by artist Albert Stahl. In 1947, Smokey would adopt the slogan "Only YOU can prevent forest fires." Then, in 2004, Smokey reunited with Bambi to produce a series of public service announcements on fire prevention.

In astrology, those born from August 1–22 are Leo's Lions. As lions are kings of the animals, Leos are strong and charismatic leaders. Proud and confident, Leos enjoy performing and the attention it brings. Those born from August 23–31 are Virgo's Virgins. Often symbolized by the goddess of agriculture, Virgos are deeply connected to the material world. They are logical, practical, and aware of every detail.
