

This Month's News

Dear Families:

We want to wish a happy August to you and your family! We hope you are keeping cool as summer is slowly winding down, but the heat is sticking around. Here are some highlights we are recognizing for this month.

Center Events for July

We invite you to join us for our activities this month. On Thursday August 3rd, we will be handing out school bags with back-to-school supplies for staff members with children and our residents with school aged grandchildren. On Friday August 11th, we will have our end of summer celebration and International Youth Day. We have several events planned outside with good treats such as snowcones and watermelon. We will also make visors and have a variety of water games.

Special Announcements for Families

Families are encouraged to bring children/or youth to participate in our event on Friday August 11th with residents. The residents love to watch children play. Residents will be under canopies to watch children play in the water. Also, we need volunteers, lots of residents really enjoy having help with bingo and crafts but are encouraged to come to any activities scheduled. Donations are also appreciated for prizes for the residents.

Special Announcements

Thank you to Moore and Moore farms for keeping us stocked on watermelon and cantaloupe for the residents. Thank you Legacy Hospice for helping with manicures. Thank you VNA Hospice for doing crafts with our residents once a month.

National Immunization Awareness Month

Is your loved one up to date on their vaccines? Please join us in raising awareness as we observe National Immunization Awareness Month. To learn more about immunizations and discover what is right for you, click [HERE](#).
