NHC's Top Dog

It's time to vote for NHC's TOP DOG! We have had a company-wide internal "competition" to answer the question "Who is NHC's Top Dog?" with the winner winning

a Chewy gift card. The decision was hard, but after multiple submissions, the dogs were narrowed down to the Top 30. Cast your vote for who you think should be NHC's Top Dog! We will leave voting open until September 22nd. We will announce the NHC Top Dog Winner in next month's newsletter! [VOTE HERE!](#)

National Rehabilitation Awareness Week

As we celebrate National Rehabilitation Awareness Week, we want to send a THANK YOU to all our therapy partners here at NHC! These hard-working individuals do so much for our patients. Kami Horsman, AVP Rehab says: “Our Therapists are known for treating the bodies and minds of our patients. In truth, they really treat the entire patient in our centers to help refer to all departments, assist with any social or economic barriers, and work within their teams to ensure every aspect of the patient and the patient’s family is taken into consideration to give the best clinical outcomes and patient experience possible. They are truly committed to the quality of life for our patients.”

Thank You

to all of our wonderful
NHC therapy partners!

Thank you,
