

This Month's News

Dear Families:

As we start this season of giving thanks, we are thankful for the opportunity to care for your loved ones and the bonds we have created with each of you. We would like to wish all of you a very Happy Thanksgiving.

Veterans Day

Thank you to all veterans for your bravery and sacrifice. We thank you not only on your dedicated day but every day. Thank you!

National HomeCare, Hospice, and Palliative Care Month

At NHC, we understand that your loved one's needs may change during their stay with us or after discharge. Our team at NHC HomeCare and Caris

Hospice are honored to deliver personalized care in the communities we serve. If your loved one is discharged and may need more care at home, our [homecare team](#) provides nursing and rehabilitation services. If palliative care and hospice may be the next step for your loved one, our [hospice team](#) is here to help.

We would like to recognize all our NHC HomeCare and Caris partners this month. Please join us in recognizing their commitment to our patients and their families.
