National HomeCare, Hospice, and Palliative Care Month

At NHC, we understand that your loved one's needs may change during their stay with us or after discharge. Our team at NHC HomeCare and Caris Hospice are honored to deliver personalized care in the communities we serve. If your loved one is discharged and may need more care at home, our [homecare team](#) provides nursing and rehabilitation services. If palliative care and hospice may be the next step for your loved one, our [hospice team](#) is here to help.

We would like to recognize all our NHC HomeCare and Caris partners this month. Please join us in recognizing their commitment to our patients and their families.
