

This Month's News

Dear Families

As we start this season of giving thanks, we are thankful for the opportunity to care for your loved ones and the bonds we have created with each of you. We would like to wish all of you a very Happy Thanksgiving.

Events for this month: On November 16th, we'll be having a Thanksgiving dinner with families at the center. Please be sure to RSVP to the Activities department if you're available to come and eat dinner with your loved ones.

Special Thanks: We'd like to give a special shoutout to Anna Michel for always helping out where needed. Thank you for everything you do!

Veterans Day

Thank you to all veterans for your bravery and sacrifice. We thank you not only on your dedicated day but every day. Thank you!

National HomeCare, Hospice, and Palliative Care Month

At NHC, we understand that your loved one's needs may change during their stay with us or after discharge. Our team at NHC HomeCare and Caris Hospice are honored to deliver personalized care in the communities we

serve. If your loved one is discharged and may need more care at home, our [homecare team](#) provides nursing and rehabilitation services. If palliative care and hospice may be the next step for your loved one, our [hospice team](#) is here to help.

We would like to recognize all our NHC HomeCare and Caris partners this month. Please join us in recognizing their commitment to our patients and their families.
