Assisted Living Spotlight: Virginia Hutchinson

Virginia is a World War II veteran who served as a Yeoman for 3 years in the U.S. Navy. Following her years of service, she married a gentleman who also served in the Navy and together they had five children. She spent her time being a devoted stay-at-home mother before beginning and eventually retiring from a career in the U.S. Civil Service as a Senior Comptroller. We have been blessed to have Virginia as a resident of The Palmettos for the past 5 years and had the honor of helping her celebrate her 102nd birthday last month!

Director's Corner

We wanted to let everyone know that we have a new nurse practitioner who will be seeing residents at The Palmettos. Elizabeth Hernick, APRN is a geriatric nurse practitioner who has been treating patients in the long term care setting for over 16 years. She has recently joined the Reliant Geriatrics team and will be at The Palmettos every Wednesday beginning this month. We are excited to have her as a member of our team to care for the medical needs of our residents.

Just a reminder that we are holding 2 special fundraisers for The Walk to End Alzheimer's this month. The Jars of Fun are at the front desk and tickets for our raffle are being sold all month. See a staff member if you have any questions about these. We hope you will join us in raising money to help find a cure for Alzheimer's!

Inspiring Generations

National Assisted Living Week is one of the most important events of the year for assisted living and specialty care assisted living facilities.

Held annually since 1995, and always beginning on Grandparents' Day, National Assisted Living Week is September 8-14, 2024. The observance is sponsored by the National Center for Assisted Living and recognizes the role of assisted living facilities in caring for America's seniors and individuals with disabilities. This year, the theme for National Assisted Living Week (NALW) is "Inspiring Generations". This theme showcases how each assisted living facility brings together individuals from many different backgrounds and experiences into one big and happy home. The theme of 'Inspiring Generations' is an opportunity to both look back at where assisted living has been and look ahead to where we're going, to take a moment to really pause and think about the work people do, and to celebrate the amazing people we serve. Join us for some special events the week of September 8-14!

Dunes Spotlight: Adrianus "Jos" Van Pinxten

Jos was born and raised in Holland. He and his wife, Marilyn, who also lives at The Palmettos, have been married for 50 years and have 2 beautiful daughters: Jane and Amy. Jos served in the Dutch Army and worked as an engineer at Nantucket Rebar Services in Canada before retiring in the United States. In the past, Jos enjoyed being active by walking, playing soccer, cycling and playing the harmonica. Jos continues to enjoy music, being active by walking, and loves a good laugh. Stop by The Dunes to have a walk and laugh with Jos.
