Dear NHC Community,

Happy Autumn! We are loving the beautiful, crisp but still mild fall weather. It has created perfect opportunities for a game of cards or cup of coffee in the courtyard! Our

September calendars were such a success, we are going to continue with this great communication tool. To best reflect person -centered programming and to maximize use of our Life Enrichment resources, we publish three calendars.

Calendars correspond to the patient's Units and happenings here at NHC Dickson! Calendars are available to our whole NHC Dickson family: patients, partners and family members! We can all celebrate staying active, engaged, and emotionally healthy together!

This month, we are looking forward to celebrating Columbus Day, Tennessee Day, Halloween and many "National Days of...". With such a large building, full of so many wonderful patients and partners, centralizing activities around these theme days gives us a sense of shared celebration throughout the whole building!

One of our favorite new events from September was the General Store. It was so popular, we have decided to host one every month! Our vision is for the General Store to be the go to "shopping" spot for patients who would like to give Christmas gifts to loved ones. This goal requires quite a bit of merchandise and our NHC Dickson Dollars are "funny money", participation credits. We are currently accepting donations of new or very gently used items to stock our general store. Donations can be dropped at the front office, please label them with Attn: Life Enrichment General Store. Thank you so much for your help with this.

Happy Fall Y'all!

Sincerely,

The Life Enrichment Team:

"Ah, Lovely October, as you usher in the season that awakens my soul, your awesome beauty compels my spirit to soar like a leaf caught in an autumn breeze and my heart to sing like a heavenly choir."
