# SUMMER

This month we celebrate Father's! Here at Osage Beach Rehab and Healthcare, we care about the men who shaped us into the people we are today. Two of our promises to you are:

**Promise #14 I promise to only make promises to you that I can keep.**

**Promise #1 I promise to greet you with a smile and make eye contact.**

For myself personally, these are two promises that I learned from my father. This is a great way to remember our father's with living by these great promises!
