

PLEASE MARK YOUR CLOTHES

At the Palmettos of Mauldin, our washing machines and dryers run non-stop. We wash approximately 45 people's laundry every week. That is why it is so important to mark every piece of clothing with the resident's name. We try very hard to keep everybody's clothes separate, but occasionally, a piece gets mixed in with someone else's laundry. Without a name on the item, we may or may not be able to identify whose clothing it is.

When you bring any new clothes to your family, please have the item marked with a permanent clothes marker. You can also buy iron-on labels to put in them. If you don't want to fool with that, you can purchase 20 labels from the activities department for \$5 and Nancy will put them in your clothes.

Iron-On Name Labels

INCENTIVES

We are excited to continue the incentive we are offering our current Palmettos families. We began this program in October. If you refer someone to The Palmettos and they move in, you will receive \$500 off of your next month's room and board. We are so thankful for all the love and support we get from our residents and families and always appreciate when you share with your friends about us. Another way you can help is by liking our Facebook page and giving us a review on Google. We will give a \$50 gift card to the first family who gives us a Google review. These days, word of mouth and online reviews are the best ways to inform people about our community, and we are thankful for your help.

HALLOWEEN

This year, Halloween was very different from previous ones. We always look forward to having the children from the neighboring day care center here for Trick or Treating. We get as excited as they do! This year, we made treat bags to deliver to the children and had a Halloween party of our own. Happy Halloween!

DOING OUR CIVIC DUTY

Many residents participated in the voting process by casting absentee ballots. No virus could keep this hardy bunch from voting!

It makes us very proud of these residents who continue to care about life outside of the Palmettos. Way to go!

Jeannine "Just Voted"

SHAKE A LEG-SHARE A SMILE-SAY HELLO

As Covid-19 continues to keep us isolated from the our friends and families, it is very important for the residents to get out of their rooms and socialize. Our staff is observing some depression and confusion in a few of our residents. We have noticed that it is happening more with residents that were used to having almost daily contact with their families and friends. With some residents, multiple phone calls can be confusing and cause anxiety. The resident will want to stay in their room waiting on a phone call instead of participating in activities. Other residents tend to close themselves off from others and stay in their rooms more instead of coming out and joining with others. Please encourage your family member to get out of their room and join with other residents for games, exercise, art, crafts, movies, book club, yoga, etc. It is very important for their mental health!
