WE ARE STILL HAVING FUN!

We are having pep rallies to congratulate everyone on the great job they are doing to stay well. We even danced a little Hokie Pokie to remind us what it’s all about! Nothing will ever stop Bingo, especially when money is involved! Nails by Nancy must go on, but we are now soaking our fingers in alcohol. Exercise is happening every day except Sunday, and we even have our own personal bag of equipment. We are doing a little putting in the courtyard. Some of us made flower arrangements for our rooms, and others had them delivered already made by the Palmettos flower genies. Pokeno is still on the agenda, which makes us happy because again, we win money!

What Precautions We Are Taking at the Palmettos of Mauldin

As the days moved through March, it became apparent that the COVID-19 virus was moving across the country. Our parent company, National HealthCare Corporation, began implementing measures to try and keep COVID-19 out of our facilities. We are proud of how fast our company moved to put these precautions into place. What have we done, you may ask?

1. Spray and wipe common surfaces with disinfectants several times per day.
2. Wash hands for 20 seconds several times a day.
3. Teach residents how to properly wash hands, only use tissues once and then discard in trash can, practice social distancing and don’t use cloth handkerchiefs or napkins to wipe one’s nose.
4. No visitors allowed in the building. This includes family and friends, outside vendors and outside entertainers.
5. Temperature checks every day for staff and residents.
6. No outside appointments, except those deemed very important.
7. Residents eating in shifts so there is only one person per table in the dining room.
8. Activities that involve cross-contamination of objects to play were cancelled.
9. Activities such as Bingo, exercise and Pokeno continue, but individual cards, chips and equipment are separately bagged with each resident’s name on the bag.
10. Maintaining a 6 foot distance between everyone.
11. Residents are only allowed to go outside in our courtyard which has been closed off to all others.

MANY THANKS FROM YOUR PALMETTOS FAMILY

At the Palmettos of Mauldin, we have taken many precautions to protect everyone from the COVID-19 virus. It has been a challenge to all of us, especially our dear residents who have not been able to have direct contact with their families. We want to give a big Thank You to everyone for understanding this situation and by staying outside our building so no direct contact is made with our residents. We are genuinely sorry for the inconvenience this has caused you, but limiting direct contact with the outside world is the most effective weapon we have to keep our residents safe. May God bless you for your cooperation and understanding in this trying time.
