Egg battle Residents dyed raw Eggs for our Egg Battle. Each resident was able to name their egg. Then the eggs were placed in an elimination bracket. We then battled eggs up against one another seeing who would crack first. Our winner was Tulip battled by Barb. Tulip was then put to the test as Tyler in therapy tried to break her with his bicep. It can not be done so Lauren in recreation broke Tulip over her head. Residents enjoyed many laughs!

We will miss you, Rosa.

Rosa has been cooking our meals with love since 2007.

We will certainly miss all of those resident favorites.

Enjoy retirement!

Thank you, Nurse Hema, for your beautiful touches to our resident garden area. The flowers and plants are gorgeous, even the little birdies think so!

Thank you, Nurse Diana Bott, for the vintage candy.

We had a blast doing trivia, learning the history of certain candies, and of course eating them!
