This year has been difficult with COVID-19 limiting the ability to visit your loved ones. We would like you to know that we are doing all we can to ensure your loved ones remain healthy and happy. As a team, we can remain strong while fighting this pandemic so that it does not effect the health of our staff and residents. At this time, we ask that if you are bringing items for your loved ones, consider bringing a months supply . If you are interested in setting up video calls or window visits, please contact the social services department. We will continue to monitor the situation, follow CDC Guidelines and keep you informed about changes. If you would like to be added to our email list for updates, please call the center to share your current email address.

Please check us out on Facebook <https://www.facebook.com/The-Villages-of-St-Peters-131323916940208/?epa=>

You can also view the center website at <https://nhccare.com/locations/villages-st-peters/>
