Fun Facts About August

It goes without saying, that August then is a time to celebrate a good harvest and a good summer!

The birth flowers of August are the gladiolus, representing calmness, infatuation and integrity and the poppy, whose red ones, signify peace, while the white and yellow express consolation and wealth and success respectively.

August is a big month for the two-star signs, Leo and Virgo.

Lammas Day is traditionally celebrated on August 1. It is a festival that is celebrated after the annual corn harvest which takes place after the corn ripens in the fields. Lammas Day is also the mid-point between the autumn equinox and summer solstice, making it an extremely important day in the month of August.

August's zodiac signs are Leo (July 23–August 22) and Virgo (August 23–September 22).

July 12– Ice Cream Social Day. We had a lot of fun making ice cream sundaes.

Every Tuesday and Thursday are bingo days. The residents loves playing bingo. They like to pick a prize from the cart.

The resident really liked having a water gun fight. They soak the activities director and the assistant. This is what the resident's wanted to do for the fourth of July. The smiles on the residents faces are priceless.

About NHC...

National HealthCare Corporation (NHC) has been providing the best in senior care for almost 50 years. At NHC, we believe that care should respect the individual, promote recovery, well being and independence. We believe in celebrating life every day with our patients and residents. NHC currently operates 75 skilled nursing centers, 24 assisted living communities, a behavioral health hospital, five retirement communities, and 35 homecare agencies. Other services include memory care, long-term care pharmacies, hospital, rehabilitation services and management and accounting services to third parties.

NHC is recognized nationwide as an innovator in the delivery of quality senior care. Our founder, Dr. Carl Adams had a vision in 1971 to provide higher quality healthcare services for seniors. His dream was to create a campus concept that offered in-house services for residents as they age with different needs much like the continuing care retirement community of today.

Decades of pursuing a better way led NHC to our greater commitment toward patient and resident satisfaction with the adoption of our 20 promises. Our Better Way 20 promises mark the continuous commitment to our customers to deliver compassionate care and excellent service.
