## September Birthdays

In astrology, those born between September 1–22 are Virgo's discriminating Virgins. Virgos pay attention to detail and are highly organized, making them curious and intelligent learners who can get the job done without complaint. Those born between September 23–30 balance the scales of Libra. Libras have strong intellects and keen minds and so need constant stimulation. Libras are also masters of compromise and diplomacy, acting as wise mediators between friends and colleagues.
