

Love is in the Air at NHC Holston

We have a sweet deal for this holiday season! If you would like to order a heart shaped Mylar Balloon, small plush toy and/or a singing telegram, please fill out the list below. Our activities partners will provide the treats for your loved one on the morning of Valentine's Day and let them know it is from you. Simply fill out the request form and give to Kim Uzonyi, Recreation Director. All proceeds help raise money for Resident Council funds. Please be sure to include your loved one's name and room number. Provide a special message as well if you would like! Happy Valentines Day!
