

This Month's News

Dear Families:

We want to wish you and your family a happy August! We hope you are keeping cool as summer is slowly winding down, but the heat is sticking around. Here are some highlights we are recognizing for this month. We would like to welcome our new HABIT pet therapy volunteer, Judy Hagan, and her cat Castor. We also invite our residents to join our Fit Group USA activity where we will be doing chair exercises in the Activity Room.

If you would like to make a beauty shop appointment for your loved one with our new hairdresser, please contact Whitney Carmical @ (865) 525-4131, ext 118 or leave a message with our receptionist.

We would like to give a special thank you to the Knoxville ZooMobile for coming out to educate our patients and residents on June 25th regarding wildlife, conservation, and updates on animals at the Knoxville Zoo. Residents enjoy looking and touching animal artifacts including “Edna the Turtle” and watching her eat.

National Immunization Month

Is your loved one up to date on their vaccines? Please join us in raising awareness as we observe National Immunization Awareness Month. To learn more about immunizations and discover what is right for you, click [HERE](#).
