I've learned that people will forget
what you said, people will forget
what you did, but people will never
forget how you made them feel

Education days are always a wonderful addition to our events.
This month we learned about:

Myths and Legends and Woodshop

For our Myths and Legends, we learned about Aphrodite's unusual Birth, ancient goddesses, and mythical creatures!

For woodshop we made bird houses and string art projects!

Theme days this month included an "Ocean Party" and a "Carnival Day"!

Outreach—Our Lady's Inn

We tie dyed onesies for the little ones at Our Lady's Inn. They turned out adorable!

It was a morning filled with music and memories. Resident Sandy, has a life-long love of football. She was pleasantly surprised when Anita Rosamond brought Jackie Smith to sing with her for our Fourth of July celebration!

She beamed with pride as reminisced about her days as a flight attendant for Eastern Airlines. Sandy is known as a "Silverliner" as a former flight attendant. During her time as a Silverliner, she helped host a specific fundraiser golf tournament at Club . It was at that tournament she met Dan Dierdorf and Jim Hart who played for the

St. Louis Cardinals Football team. She still cherishes the photo they took together back in the 70's. She was excited to add a photo of her with Jackie to her collection.

Thank you, Anita and Jackie for making this day memorable for Sandy!
