June

“Far up in the deep blue sky,

Great white clouds are floating by;

All the world is dressed in green;

Many happy birds are seen,

Roses bright and sunshine clear

Show that lovely

June is here.”

F.G. Sanders

**The theme of National Skilled Nursing Care Week was
“Together through the seasons”**

We had a blast on bucket list day rock mining for gemstones and then turning those into jewelry and décor followed by a tattoo parlor and big prize bingo.

Tuesday, we celebrated spring with flower arrangements (flower donated by Caris hospice-Thank you), Claw machine theme cart where everyone won a prize at this hard to beat game.

Wednesday, we celebrated fall, the Queen's of Swing performed for us and we danced to our hearts content. We screen printed bags and then sang campfire songs with smores.

Thursday, summer, we had church and residents made an ice cream truck and another resident drove it around while we picked our favorite ice cream snack.

Friday, we celebrated winter. We sang along with Musician David Green and had a Christmas themed bingo where we won wrapped candy bars!

Thank you, to all who helped make this week possible, including but not limited to, residents for the great ideas, partners for helping us make their ideas a possible and the recreation team for continuing to use happiness as the best medicine.
