## The theme of National Skilled Nursing Care Week was **“Creating and Nurturing Connections”**

We started out our week with an adoption party with the help of Angel Embrace. We had babies and pets up for adoption reminiscing about residents children and pets.

Resident played their favorite game, bingo. When they won they chose which non-profit they would like to support.

Cupcakes for Alzheimer's raised almost \$700!  
We baked over 200 cupcakes in one day!

Connecting Hearts Collage turned out fabulous!

Anita and David held the best party music on Friday and we wore fun glasses and danced together.

Saturday we had fancy frozen drinks,  
virgin strawberry daiquiris and Pina Coladas.

Thank you, to all who helped make this week possible, including but not limited to, residents for the great ideas, partners for helping us make their ideas a possible and the recreation team for continuing to use happiness as the best medicine.
