“The old farm in St. Charles”

National Waffle Day Celebration

National waffle day takes place on August 24th because this is the date in 1869 that Cornelius Swartwout of Troy, New York received the first U. S. patent for a waffle iron. Although waffles existed long before then, the invention made waffles more readily available.

Did you know 8 in 10 Americans love waffles.

Waffle makers can make more than just plain waffles check out these different uses for your waffle maker

- Omelet waffles
- Mashed potato Waffles
 - Pizza Waffles
- Cinnamon Roll Waffles
- Waffled Quesadillas
- Waffle Iron S'mores
- Waffle Iron Grilled Cheese
- Brownie Batter Waffles
 - Waffle Iron Donuts
