Independence Day fun facts & trivia

Independence Day was first celebrated in Philadelphia on July 8, 1776.

The word 'patriotism' comes from the Latin patria, which means 'homeland' or 'fatherland.'

Before cars ruled the roadway, the Fourth of July was traditionally the most miserable day of the year for horses, tormented by all the noise and by the boys and girls who threw firecrackers at them.

The names of the signers of the Declaration of Independence were withheld from the public for more than six months to protect the signers.

Both Thomas Jefferson and John Adams died on Independence Day, July 4, 1826.

In 1941, Congress declared 4th of July a federal legal holiday. It is one of the few federal holidays that have not been moved to the nearest Friday or Monday.

We are always looking for amazing volunteers to enrich the lives of our wonderful residents. Volunteer packets are located at the main receptionist desk. To volunteer, bring filled out packet, driver's license, and social security card to the main receptionist.
