Are you feeling lucky?

1. Each leaf of a four-leaf clover has a specific meaning — faith, hope, love and luck.
2. A person who finds one will meet a future lover on the same day.
3. The clover brings good luck and protects against evil.
4. Anyone wearing a clover will be able to see fairies if they are around.
5. If you pass your clover on to someone else, your luck will double.
