✦ Pretty Nail ✦ APPOINTMENTS

We are updating the pretty nail program to hopefully be even better for you & us in 2025!

On the calendar you may notice it says
A & C Hall or B & D Hall Pretty Nail Appointments.

You still need to ask Life Enrichment for an appointment time. We will only be doing residents from halls on the day it says.

Always remember you can ask your CNA during your shower time to clean and cut your nails.

Resident Dine In Program

with The Life Enrichment Department

Each month during activity planning we will pick a place from below to order To-Go from. The Life Enrichment Team will make an order form. It will not be the whole menu, just a few top seller items.

Order form menu prices will be rounded up to include tax and tip. In the case of leftover money, it will be donated to the Resident Bingo Prize Fund.

Life Enrichment partners may modify food choices to best fit your dietary needs. i.e.: mechanical diets, needing extra sauce, or assistance with cutting.

Leftovers can go in the resident fridge in the ice cream parlor area. Items will need to be placed in a ziplock bag with name & date. You will have 3 days to finish, then Life Enrichment will need to clean out the fridge.

Life Enrichment will support you. ❤️

If you wish to participate in this program you will need to use your patient trust account here at NHC St. Charles or coordinate with your family to bring select cash amount to the front desk or The Life Enrichment Office.

Please Contact
Lauren Schiefelbein
The Life Enrichment Director with questions or if you are in need of support for this program.

DAY OF THE DINE IN

Lauren will go pick up our orders. We encourage you to enjoy your meal out in the main dining room with everyone who participated. We will deliver in room if preferred! If you participated in the dine in, we will remove your meal ticket from your dining table space, to let the dining servers know you are a part of the dine in program. There will be a table set up in the living room near the fireplace; Lauren and her team will set up the orders and supplies needed. We will hand you your items, please don't be grabbing off the table and please have patience with us as everyone is excited to receive their food.
